

## TASK SHEET 01

Only 1 of the tasks has to be performed! Of course both can be flown 😊  
This task sheet must be performed before any other task sheet.

Scoring for this task is only "performed" or "not performed" and will not be scored with points. There is a special trophy for best performance in tasks #1.1 and #1.2.

### Task #1.1

Fly at least 50km linear distance from launch point in one flight.

### ALTERNATIVELY

### Task #1.2

Fly at least 3 hours in one flight.

Example Task #1.1:

Track path: orange line

Measured distance: red line
